OFFSET RANGE

Affordable soil preparation

The AgriCAD heavy duty offset harrow range offers the farmer an affordable soil preparation solution. Specifically developed for Africa's conditions.

Available in 24 to 52 discs.

The offset range has the following practical advantages:

- Modular design that makes welded assemblies replaceable
- 4kW per disc needed
- Replaceable, adjustable scrapers
- 95kg to 120kg weight per disc
- Quadruple sealed heavy duty oil or grease bearings
- 28", 8mm heavy duty discs
- Hydraulic lifting wheels
- Adjustable cutting angles
