TANDEM RANGE

Affordable soil preparation

The AgriCAD heavy duty tandem range offers the farmer an affordable soil preparation solution. Specifically developed for Africa's conditions, AgriCAD offers a range from 52 to 96 discs with the following advantages:

- Uniform seed bed - **no ridge left**
- 4kW per disc needed
- Replaceable, adjustable scrapers
- Quadruple sealed heavy duty oil or grease bearings
- 28 inch and 8mm thick heavy duty discs
- 45mm round disc-axles
- Modular design that makes welded assemblies replaceable
- AgriCAD lock mechanism on disc-axles
- Separate disc-axles for easy replacement
- Mechanical lockpin on wings for safer transport
